A NOTE TO PARENTS

Welcome to the world of Festival Readers!

These inviting, kids'-choice readers were created to help develop and nurture a love of reading that will last a lifetime. Festival Readers feature the characters that children love best; stories are told in brief, lively text and are complemented by illustrations to support every child's reading success.

We hope you and your child enjoy the pleasure this story brings, and that your child's world will be enriched by the adventure of reading. Here are a few tips you may find helpful:

- Find a comfortable setting in which to read together. You might create a “reading corner” in your child’s room or any place that’s quiet.
- Take your time, letting the story set the tone and pace.
- Follow the words with your fingers as you read, and give your child the job of turning the pages.
- As your child’s reading skills improve, have him or her read the book to a younger sibling, a friend, or even a teddy bear.
- Be an enthusiastic audience and give lots of praise! Your words of encouragement play a crucial role in your child’s confidence as a reader.
